Hello Rob,

The meeting date is to be during the week of April 25. We were hoping to schedule it for April 28 or 29. Does one of those days work for you all?

Thanks much,

David:

Sorry for the delay with getting back to you. It appears that the meeting is scheduled for the morning of April 25<sup>th</sup>. This may be problematic as Division management will be traveling to attend a manager's meeting starting in the afternoon of April 25<sup>th</sup>. If the meeting is still to take place at the scheduled time, would you like the Division to provide some written responses to the questions listed in the agenda? I look forward to hearing back from you.

Sincerely,

**Robert S. Habel, Special Assistant**

**Subject:** Financial Responsibility Regional Roundtable Discussion

Hi Rob,

I hope all is well. I am sending you a heads-up about a discussion our HQs folks would like to have with the Region 9 primacy states and us regarding financial responsibility in the UIC program. The plan is to have a conference call sometime around the end of April. Attached to this message is a draft agenda for the conversation/call. I've asked Leslie Greenberg in my office (copied on this email message) to coordinate setting up this call with you or whomever you tell her would be the appropriate contact point on this issue at DOGGR.

Thanks very much for your assistance.

David
